The Addison BCA met on Tuesday, April 23, 2024 immediately following the 6:30pm Tax Abatement Hearing at the Addison Community Center. Present were Jeff Kauffman SR, Peter Briggs, Roger Waterman, William Munoff, Jane Spencer, Starr Phillips, Jennifer Barrett and Cheri Waterman.

Cheri Waterman asked the BCA if they would be able to give of their time on Tuesday, April 30th for the ANWSD re-vote. This is a day that Billie Jo and Cheri planned on attending an all-day clerk/treasurer training in Fairlee, Vermont. Billie Jo and Cheri would like to attend the training and asked if the BCA could step in to help run the re-vote for the ANWSD on the same day. Billie Jo and Cheri thought they would be back around 5:00 pm or so to help finish the evening. All members were willing to help out when and if they could, depending on prior commitments. Based upon a BCA meeting on January 23, 2024, poll workers were approved as "any Addison resident, registered to vote" so no motions were made for appointments.

William Munoff made a motion to adjourn. Peter Briggs seconded the motion. All in favor.
