The meeting was not turned over to Katie Raycroft-meyer for her next presentation on revisions for the new Town Plan. She Was not able to come to our April meeting since she was on vacation. She will return for our May 19th meeting for her next presentation on the Town Plan revisions.

We decided to reorganize the slate of officers by nominating Michael Hollis & Jennifer Barrett for the Chair position. Jennnifer declined taking the Chair position and decided she wanted to stay as Vice-Chair of the board. Michael Hollis accepted taking the Chair position of the board. (4) in favor and (1) absent.

We discussed and explained our work on implementing the new Town Plan with its revisions to our new Z.A, Dan Rossignol, who had questions & was very interested in discussing some of the upkeep issues he has encountered recently with Tri Town water and hookups. Adam Thoman is on the Tri Town Water board for Addison and highlighted some of the problems that Tri Town Water is trying to remedy with low water pressure as an example and what might be a solution. It was determined that maybe this would require attention or changes within the Zoning Regulation at some time. We hope to see the Z.A. attend more of our meetings.

We discussed the Town Survey results and decided to review and look over at the May meeting to determine what the next step would be to inform the Towns' people of the results.

We'll have Katie Raycroft-meyer back at our May meeting for the next presentation on the Town Plan revisions and discuss the steps to follow for a final presentation.

Check with board members who still need to take the online "ETHICS" training.

Next meeting is scheduled for Monday, May 19,2025 at 6:30 pm at the Addison Community Center with Katie Raycroft-meyer doing her presentation
