The meeting was turned over to Katie Raycroft-meyer for her next presentation on revisions for the new Town Plan. She brought a handout draft of the "ECONOMY & ECONOMIC DEVELOPMENT" with comparisons among the different age groups. Most workers fell between the ages of 29 & 55. We discussed other aspects of the handout with a PLACE OF WORK, INDUSTRY, AGRICULTURE & FORESTRY, RECREATION & TOURISM, and MAKING A LIVING: setting goals & objectives. We decided we need to work on GOALS & expand on TOURISN in the VILLAGE CENTER. We discussed the Town Survey with changes that had been made and ready to publish it to the Town Website for viewing. Chris offered to do comparison checks of the demographics census charts & State information before it goes to the Website—should we determine to arrange the format structure. We discussed the following elements: 1, Affordable Housing Development, 2. Sustain Economic Viability of the Town, 3. A plan that fosters the Town Plan, and 4. Katie will plan to have a rough draft of the Town Plan for us at the June meeting.

At the June meeting with Katie Raycroft-Meyer we'll work on the goals & objectives, maps which may need some changes and view the rough draft of the plan.

In a motion made by Jennifer Barrett, seconded by Adam Thoman to approve the Town Survey to be published after the changes & edits have been made. (5) in favor.
