Addison Planning Commission

Regular Planning Commission meetings are convened in a public setting; however they are not meetings of the public. The Commission has adopted a **Public Participation Policy for Planning Commission meetings that allows citizens an opportunity to speak within established time constraints before the Commission takes action. The Commission Chair will manage public comment protocol. Should a community member raise a question or issue for the Commission's consideration, the Commission will decide if it should be a future agenda item, or if it can be answered briefly at the current meeting, or if is better forwarded to another branch of municipal government.**
