Public Hearing for Town Plan (Selectboard)

Present: Chris Carella, Peter Briggs, Roger Waterman, Jeff Kauffman, Sr, Geoffery Grant, Alma Briggs, Matt Kurtz, Brett Barbur, Marty Haitz, Peter MacFarlane

Jeff opened the public hearing at 7:35PM.

He explained which of the many copies we were working from and noted the discrepancies in the copies received after meeting with the Planning Commission. In reviewing the Plan, the Selectboard removed any action items that were not in our purview or provided specific direction.

The Board went over each change as noted in the handouts provided and on the website, and answered questions. It was noted that some of the changes have not made it into the document yet, but will be included in the final copy. These include citations for charts as available, a picture of the Community Center instead of a map and some wording changes on the energy plan and capital plan.

Motion to approve with those edits by Geoffery, second by Roger. All in favor. The plan should be complete within 2 weeks

Motion to schedule next Selectboard meeting on Nov. 10 due to elections. G/R All in favor.

Motion to adjourn G/R. 5 in favor
